### Consent not to publish a code of practice

We consent to the holders of statements of national regulatory provisions (SNRPs) listed below *not* publishing a code of practice or other documents under paragraph 6 of condition 4 of the SNRPs, because these are dormant operators to be used only in the event that Transport Scotland needs to take over the operations of a franchised train operator.

Name	Date and number	Name holder	Date and number
SOLR 1 Ltd	10 Oct 07 UK02 2007 0006	SOLR 2 Ltd	10 Oct 07 UK02 2007 0007

In the event that either of these operators becomes active, this consent will expire for that operator's SNRP.
