Dear Mark,

**AMENDMENTS TO THE JUNE 2018 PERFORMANCE DATA ACCURACY CODE**

1. The Office of Rail and Road (ORR) has today approved the proposals attached to amend the June 2018 Performance Data Accuracy Code (PDAC) submitted to it by the Delay Attribution Board (DAB) on 26 August 2020.
2. A full review of the PDAC was carried out in 2020 by the DAB as no amendments have been made since June 2018. The formatting and referencing has been improved throughout and controls relating to Station Timing Points have been added.
3. ORR has approved the amendments because it is satisfied that they met the objective stated above.
4. The amendments to the PDAC will take effect on 1 November 2020.
5. A copy of this letter, the approval notice and a marked-up version of the PDAC highlighting all of the amendments will be placed on the ORR website. A copy of the approval notice will also be placed on the ORR's public register.

Yours sincerely
