Dear Christopher,

**APPROVAL OF PROPOSAL FOR CHANGE 119 RELATING TO PART B OF THE NETWORK CODE**

1. The Office of Rail and Road (ORR) has today approved Proposal for Change (PfC) 119 to the Network Code, which was submitted to it by the Class Representative Committee (CRC) on 16 February 2023. This proposal, sponsored by Network Rail, amends Part B of the Network Code, with a consequential amendment to Part R. It was approved by CRC at its meeting on 5 January 2023, subject to further consideration of drafting modifications suggested during the consultation process. These suggestions have now been considered and incorporated, where appropriate, into the documents submitted for approval.
2. ORR has reviewed the consultation responses received and considered by CRC at its meeting on 5 January 2023. The approval of PfC 119 is consistent with ORR's section 4 duties.
3. In accordance with Condition C9.1.2 of the Network Code, the amendments to Part B shall have effect 14 days from the date of this notification.
4. In giving CRC notice of approval ORR also copies this letter and attached notice to all parties identified under Condition A4.1 of the Network Code.
5. A copy of this letter, the approval notice and a marked up copy of extracts from Part B and Part R of the Network Code, showing all the proposed changes, will be placed on the ORR website. A copy of the approval notice will also be placed on the ORR's public register.

Yours sincerely
