Dear Suzanne and John

Approval of the 30th supplemental agreement to the track access contract between Network Rail Infrastructure Limited and Scotrail Trains Limited dated 3 March 2016

We have today approved the above supplemental agreement submitted to us formally on 16 February 2023 under section 22 of the Railways Act 1993 (the Act). This follows an earlier informal submission of a draft agreement for our consideration. This letter explains the reasons for our decision.

Purpose

The purpose of this agreement is to update Appendix 7D of Schedule 7 of the track access contract to include On-Train Metering (OTM) on five additional C320/4 units. These units are already in service on the Network, and the update is required to enable them to be charged using the correct billing mechanism for EC4T going forward. The rights are to commence on 31 March 2023 and will expire on the Expiry Date or earlier termination of Scotrail's track access contract.

Industry consultation

Network Rail undertook the usual industry consultation. No concerns or objections were raised in response.

ORR review

Our review of the application raised no operational, performance or economic concerns.

Our duties under section 4 of the Act and our decision

We have concluded that approval of this supplemental agreement strikes the appropriate balance in discharging our statutory duties under section 4 of the Act; in particular, those relating to protecting the interests of users of railway services (section 4(1)(a)), promoting the use of the railway network for the carriage of passengers (section 4(1)(b)) and enabling persons providing railway services to plan their businesses with a reasonable degree of assurance (section 4(1)(g)).

Conformed copy of the track access agreement

Under clause 18.2.4 of the track access contract, Network Rail is required to produce a conformed copy, within 28 days of any amendment being made, and send copies to ORR and the Train Operator. Please send the conformed copy to me at ORR.

Public register and administration

Electronic copies of this letter, the approval notice and the agreement will be sent to the Department for Transport and Network Rail's Policy and Access Team. Copies of the approval notice and the agreement will be placed on ORR's public register (website) and copies of this letter and the agreement will be placed on the ORR website.

Yours sincerely
