In respect of each Charging Period, the Train Operator shall pay the Charges.

9.2.1 The Access Sum and the Ancillary Charges shall remain in force until the day preceding 1 January 2016.

9.2.2 The Access Sum and the Ancillary Charges for the forthcoming Contract Year shall be revised by the parties if there is a material change in the cost to ABP of fulfilling its obligations under this contract. On or before 1 December in each contract year, ABP shall give notice that either it wishes to revise the Access Sum and the Ancillary Charges, or that no such revision is required. For the avoidance of doubt, a revision may not be made more than once in any Contract Year.

9.2.3 For the purposes of revising the Access Sum:

- (a) a material change in the cost to ABP shall be defined as a forecast increase or decrease of 10 percent or more in the Access Sum for the relevant year $t+1$ compared to the Access Sum for the then current year t (after taking into account the Adjustment Factor) where "relevant year $t+1$ " means the Contract Year for the purposes of which any calculation falls to be made and "relevant year t " means the then current Contract Year preceding relevant year $t+1$; and

9.2.4 Following a notice being given in accordance with Clause 9.2.2 above, ABP shall provide such evidence in support of the material change or in support of its contention that there has been no material change in the cost (as the case may be) as the Train Operator may reasonably request.

9.2.5 The figure(s) agreed by the parties for the purpose of Clause 9.2.2 above shall replace those set out in Schedule 5 on and from the start of the relevant year $t+1$ (which, for the avoidance of doubt, shall not be before 1 January 2016).

9.2.6 If the parties fail to agree Access Sum and Ancillary Charges figure(s) for the relevant year $t+1$ within 28 days of a notice being given in accordance with Clause 9.2.2 above, either party shall be entitled to refer the determination of the Access Sum and Ancillary Charges either to arbitration in accordance with the Access Dispute Resolution Rules or to ORR for determination. ABP shall notify ORR of the revised figure(s) within 28 days of them being agreed or determined.

9.2.7 On 1 January in each Contract Year, commencing 1 January 2016, the Access Sum and the Ancillary Charges shall be adjusted by multiplying each of them by the Adjustment Factor (rounded to three decimal places) which shall have been calculated in accordance with the following formula:

$$\text{Adjustment Factor} = 1 + \frac{(RPI_{t-1} - RPI_{t-2})}{RPI_{t-2}}$$

where:

RPI_{t-1} means the average value of the monthly figures of the General Index of Retail Prices All Items measured by CHAW (“**RPI**”) for the 12 months up to and including the month of December immediately preceding the relevant 1 January; and

RPI_{t-2} means the average value of the monthly figures of RPI for the 12 months up to and including the month of December which is 12 months before the relevant 1 January.

9.2.8 If RPI for the month of December shall not have been published, or there is a material change in the base composition of RPI, then the parties may agree to such other index as they deem appropriate with the object of placing both parties in the position in which they would have been had there been no change in the base composition of RPI.

9.3 Unpaid sums

If either party fails to pay:

- (a) any invoice issued to it under this contract in respect of the Charges; or
- (b) any sum which has fallen due in accordance with any other provision of this contract,

then, subject to Clause 15.1.1:

- (i) the amount invoiced or sum due, as referred to in Clause 9.3(a) or (b), shall immediately constitute a debt due and owing from the party who has failed to pay the invoice or sum due to the other party (and to any assignee of a party's right to payment in respect of any Charges or other sum due);
- (ii) such debt shall be recoverable by any means available under the laws of England and Wales; and
- (iii) unless both parties to this contract agree otherwise, the dispute resolution procedures in Clause 12 shall not apply to proceedings commenced under this Clause 9.3.

10 INDEMNITIES AND LIMITATION OF LIABILITY

10.1 ABP indemnity

ABP shall (on an after tax basis) indemnify the Train Operator, and keep it indemnified, against all damage, losses, claims, proceedings, demands, liabilities, costs, damages, orders and out of pocket expenses (including costs reasonably incurred in investigating or defending any claim, proceedings, demand or order and any expenses reasonably incurred in preventing, avoiding or mitigating loss, liability or damage) incurred or suffered by it as a result of any breach by ABP of any of its obligations under this contract.

10.2 Train Operator indemnity
