Fen Line Users Association

16 August 2013

Dear Sir,

We write in respect of consultation on your 'Periodic review 2013: Draft determination of Network Rail's outputs and funding for 2014-19.' It is understood that the consultation period closes on 4 September 2013.

We are grateful that you have *"confirmed that para 9.157, line 7, should read "King's Lynn **and** Norwich", rather than "King's Lynn **or** Norwich" as currently drafted. This is a typo which will be changed to be consistent with the Government's HLOS"* (email from Bethan Thomas of your office to Elizabeth Truss MP dated 23 July 2013 and email to myself dated 25 July 2013 refer). The HLOS requirement specifies a capacity output and we understand that this does not imply any one particular physical layout or scheme.

Accordingly, we have no further comments to make.

Yours faithfully,

Andy Tyler

Secretary
