Hi Rachel,

The proposal has outlined the overall service (high level) that ECTL would like to operate from December 2018. We would like to see what paths they are considering in order to understand what the likely impact is on train services north of Peterborough. It will be great if you have the information and can it be shared with us?

Regards,

Lanita

Subject Section 17 Application by East Coast Trains Ltd for Open Access services on ECML

All

Please find attached a Section 17 application from East Coast Trains Ltd, in respect of services on ECML.

Please note that Network Rail has not agreed to this application, but is carrying out the industry consultation on behalf of East Coast Trains Ltd.

The proposed contract and Form P are attached, and will also be uploaded onto the Network Rail website tomorrow.

The consultation period will end at close of business on Wednesday 8th April. Please return any consultation responses to me, copied to [Russell Evans](#)
