Dear Andrew,

RAIB Report: Locomotive failure near Winchfield

On 11 June 2015 we wrote to RAIB reporting the status of recommendation 4 of the above report as '**Implemented**'. On reflection we consider that this should have been reported as '**Implemented by alternative means**', and request that you amend your records accordingly.

We will publish this response on the ORR website on 17 August 2015.

Yours sincerely,

Andrew Eyles
