Clauses 16 and 17 of the Claims Allocation and Handling Agreement provide that claims between parties to it are limited to specified amounts unless the parties expressly contract otherwise.

11.6.2 *Restriction of application*

Except as otherwise expressly provided in this contract, clauses 16 and 17 of the Claims Allocation and Handling Agreement shall not apply as between the parties to this contract if and to the extent that the giving of any right or remedy as provided for under this contract would be prevented or restricted by clauses 16 and 17 of the Claims Allocation and Handling Agreement.

11.6.3 *Liability for small claims*

Nothing in this contract shall affect the application as between the parties of the provisions of the Claims Allocation and Handling Agreement which relate to liability for small claims equal to or below the Threshold (as defined in that agreement).

12. **Governing law**

This contract and any non-contractual obligations connected with it shall be governed by and construed in accordance with the laws of England and Wales.

13. **Dispute resolution**

13.1 **ADRR**

A Relevant Dispute shall be referred for resolution in accordance with the Access Dispute Resolution Rules in force at the time of the reference (the "**ADRR**"), as modified by this clause 13, unless:

- (a) any Part of the Network Code or the Traction Electricity Rules provides for an alternative dispute resolution procedure for the Relevant Dispute, in which case such alternative procedure shall apply;
- (b) any Part of Schedule 4, Schedule 5, Schedule 7 or Schedule 8 provides for an alternative dispute resolution procedure for the Relevant Dispute, in which case such alternative procedure shall apply; or
- (c) clause 13.2 applies.

13.2 **Unpaid sums**

If either party fails to pay:

- (a) any invoice issued to it under this contract in respect of Track Charges; or
- (b) any other sum which has fallen due in accordance with any provision of this contract, then:
 - (i) the amount invoiced or sum due, as referred to in clause 13.2(a) or (b), shall immediately constitute a debt due and owing from the party who has failed to pay the invoice or sum due to the other party (and to any assignee of a party's right to payment in respect of any invoice or other sum due);
 - (ii) such debt shall be recoverable by any means available under the laws of England and Wales; and
 - (iii) the dispute resolution procedures in clauses 13.1 and 13.3 to 13.5 shall not apply to proceedings commenced under this clause 13.2.

13.3 **Performance Orders**

13.3.1 *Power to order provisional relief*

For the purposes of section 39 of the Arbitration Act 1996, should any Relevant Dispute be allocated in accordance with the ADRR to arbitration under Chapter F of the ADRR, the arbitrator shall have power to order on a provisional basis any relief which he would have power to grant in a final award including Performance Orders.

13.3.2 *Performance Orders*

A Performance Order:

- (a) is an order made under clause 13.3.3(b), relating to a Relevant Dispute, whether by way of interim or final relief; and

and an application for a Performance Order shall be without prejudice to any other remedy available to the claimant under this contract (whether final or interim and whether by way of appeal under the Network Code or otherwise).

13.3.3 *Duties of arbitrator in relation to Performance Orders*

Without prejudice to any additional remedies that may be ordered by the arbitrator under clause 13.4, where a dispute is allocated in accordance with the ADRR to arbitration and a party has applied for a Performance Order, the parties shall agree in a Procedure Agreement, as defined in the ADRR, that:

- (a) the arbitrator shall decide as soon as possible whether the application is well founded or not; and
- (b) if the arbitrator decides that the application is well founded, he shall be required to make an interim or final declaration to that effect and, in that event, the arbitrator may also make any interim or final order directing any party to do or to refrain from doing anything arising from such declaration which he considers just and reasonable in all the circumstances.

13.4 **Remedies**

The powers exercisable by the arbitrator as regards remedies shall include:

- (a) the powers specified in sections 48(3) to (5) of the Arbitration Act 1996;
- (b) the powers specified in the ADRR;
- (c) the power to make Performance Orders; and
- (d) the power to order within the same reference to arbitration any relief specified in clause 13.4(a), (b) and (c) consequent upon, or for the breach of, any interim or final Performance Order previously made.

Any recourse to any Court for the determination of a preliminary point of law arising in the course of the arbitration proceedings is excluded.

14. **Confidentiality**

14.1 **Confidential Information**

14.1.1 *General obligation*

Except as permitted by clause 14.2, all Confidential Information shall be held confidential during and after the continuance of this contract and shall not be divulged in any way to any third party without the prior written approval of the other party.

Except as permitted by clause 14.2, the Train Operator shall procure that its Affiliates and its and their respective officers, employees and agents shall keep confidential and not disclose to any person any Confidential Information.

14.2 **Entitlement to divulge**

Either party, and its Affiliates, and its and their respective officers, employees and agents, shall be entitled in good faith to divulge any Confidential Information without the approval of the other party in the following circumstances:

- (a) to ORR;
- (b) to the Secretary of State;
- (c) to any Affiliate of either party;
- (d) to any officer or employee of the party in question or any person engaged in the provision of goods or services to or for him if disclosure is necessary or reasonably required to enable the party in question to perform its obligations under this contract, upon obtaining an undertaking of strict confidentiality from such officer, employee or person;
- (e) to any professional advisers or consultants of such party engaged by or on behalf of such party and acting in that capacity, upon obtaining an undertaking of strict confidentiality from such advisers or consultants;
- (f) to any insurer or insurance broker from whom such party is seeking insurance or in connection with the making of any claim under any policy of insurance upon obtaining an undertaking of strict confidentiality from the insurer or insurance broker;
- (g) to any lender, security trustee, bank or other institution from whom such party is seeking or obtaining finance or credit support for such finance, or any advisers to any such entity, or any rating agency from whom such party is seeking a rating in connection with such finance or credit support, upon obtaining an undertaking of strict confidentiality from the entity, advisers or rating agency in question;
- (h) to the extent required by the Act, the Railways (Licensing of Railway Undertakings) Regulations 2005, any other applicable law, the rules of any recognised stock exchange or regulatory body or any written request of any taxation authority;
- (i) to the extent that it has become available to the public other than as a result of a breach of confidence; and
- (j) under the order of any court or tribunal of competent jurisdiction (including the Allocation Chair or any relevant ADRR Forum, each as defined in the ADRR).

14.3 **Return of Confidential Information**

Each of Network Rail and the Train Operator shall promptly return to the other party any Confidential Information requested by the other party if such request:

- (a) is made on or within two months after the Expiry Date or, if this contract lapses or is terminated earlier, is made within two months after the date on which this contract lapses or is terminated;
- (b) is reasonable; and

- (c) contains a sufficient description of the relevant Confidential Information to enable such information to be readily identified and located.

14.4 ***Retention or destruction of Confidential Information***

If Network Rail or the Train Operator, as the case may be, has not received a request to return any Confidential Information to the other party under and within the time limits specified in clause 14.3, it may destroy or retain such Confidential Information.

14.5 ***Ownership of Confidential Information***

All Confidential Information shall be and shall remain the property of the party which supplied it to the other party.

14.6 ***Network Code, Schedule 7 and the Traction Electricity Rules***

Nothing in this clause 14 restricts the right of Network Rail to disclose information to which this clause 14 applies to the extent that it is permitted or required to do so under the Network Code, the Traction Electricity Rules or Schedule 7.

15. **Assignment and novation**

15.1 ***Assignment***

Neither party may assign, transfer, novate (including a novation under clause 15.2) or create any encumbrance or other security interest over the whole or any part of its rights and obligations under this contract except to the extent approved by ORR following consultation with the other party, and subject to the conditions (if any) of ORR's approval.

15.2 ***Novation***

Network Rail (and any assignee of all or part of Network Rail's rights under this contract) shall:

- (a) agree to the novation of the rights and obligations of the Train Operator under this contract in favour of another person (including the Secretary of State or a person nominated by him) in any circumstances where the Secretary of State requests Network Rail to participate in such a novation in the course of exercising its powers under section 30 of the Act; and
- (b) execute such contracts and do such things as the Secretary of State may reasonably request to give effect to the novation.

15.3 ***Novation terms***

Any novation under clause 15.2 shall be on terms that:

- (a) the Train Operator shall not be released from:
 - (i) any accrued but unperformed obligation;
 - (ii) the consequences of any breach of this contract which is the subject of any proceedings (arbitral or otherwise) for the resolution of a dispute between the parties; or
 - (iii) any liability in respect of anything done under this contract before, or as at the date of, any such novation (except to the extent that such other person agrees to assume and be responsible for it); and
- (b) such other person shall not be required by Network Rail, as a term of or a condition to the novation, to agree to assume and be responsible for any

unperformed obligation, liability or consequence of a breach of the kind referred to in clause 15.3(a), but this shall not prevent any such agreement being a term or condition of the novation if required by the Secretary of State.

16. **Payments, interest and VAT**

16.1 **Payment**

16.1.1 *No deduction*

All sums due or payable by either party under this contract shall be paid free and clear of any deduction, withholding or set off except only as may be required by law or as expressly provided in any Schedule to this contract, in the Network Code, or under the Traction Electricity Rules.

16.1.3 *Content of invoices and other statements of amounts payable*

Each invoice and statement of amounts payable shall contain such detail as to the constituent elements of the amounts stated to be payable as shall be necessary or expedient so as to enable the person to whom it is given to understand and check it.

16.1.4 *Method of payment*

All payments shall be made by direct debit mandate or standing order mandate, CHAPS transfer, BACS transfer or other electronic or telegraphic transfer to a London clearing bank or such other financial institution as may be approved by the party entitled to the payment, such approval not to be unreasonably withheld or delayed.

16.2 **Interest**

Without prejudice to any other rights or remedies which one party may have in respect of the failure of the other party to pay any amount on the due date, amounts payable under this contract and not paid by the due date shall carry interest (to accrue daily and to be compounded monthly) at the Default Interest Rate from the due date until the date of actual payment (as well after judgment as before), except to the extent that late payment arises from any failure by the invoicing party to comply with clause 16.1.2 or clause 16.1.3.

16.3 **VAT**

16.3.1 *Payment of VAT*

Where any taxable supply for VAT purposes is made under or in connection with this contract by one party to the other the payer shall, in addition to any payment required for that supply, pay such VAT as is chargeable in respect of it.

16.3.2 *Reimbursement of VAT*

Where under this contract one party is to reimburse or indemnify the other in respect of any payment made or cost incurred by the other, the first party shall also reimburse any VAT paid by the other which forms part of its payment made or cost incurred to the

16.3.3 *VAT credit note to be issued on repayment*

Where under this contract any rebate or repayment of any amount is payable by one party to the other, and the first party is entitled as a matter of law or of HM Revenue and Customs practice to issue a valid VAT credit note, such rebate or repayment shall be paid together with an amount representing the VAT paid on that part of the consideration in respect of which the rebate or repayment is made, and the first party shall issue an appropriate VAT credit note to the other party.

17. **Force Majeure Events**

17.1 ***Meaning of Force Majeure Event***

In this clause 17:

"Affected Party" means, in relation to a Force Majeure Event, the party claiming relief under this clause 17 by virtue of that Force Majeure Event, and "Non-affected Party" shall be construed accordingly;

"Force Majeure Event" means any of the following events (and any circumstance arising as a direct consequence of any of the following events):

- (d) nuclear, chemical or biological contamination;
- (e) pressure waves caused by devices travelling at supersonic speeds;
- (f) discovery of fossils, antiquities or unexploded bombs; and
- (g) strike or other industrial action which is a single circumstance and which also is a strike or industrial action in sectors of the economy other than the railway industry;

"Force Majeure Notice" means a notice to be given by the Affected Party to the other party stating that a Force Majeure Event has occurred;

"Force Majeure Report" means a report to be given by the Affected Party to the other party following the giving of a Force Majeure Notice;

"Relevant Force Majeure Event" means a Force Majeure Event in relation to which an Affected Party is claiming relief under this clause 17; and

"Relevant Obligation" means an obligation under this contract in respect of which a Force Majeure Event has occurred and the Affected Party has claimed relief under this clause 17.

17.2 ***Nature and extent of relief for Force Majeure***

Force Majeure relief under this clause 17:

- (a) extinguishes the obligation of the Affected Party to indemnify the other party under clause 8.2 in respect of Relevant Losses sustained as a result of the failure of the Affected Party to perform a Relevant Obligation; but
- (b) is not available in respect of:
 - (i) any obligation to pay money under Schedule 4, Schedule 5, Schedule 7 and Schedule 8 or the Traction Electricity Rules; or
 - (ii) any other obligation to do or refrain from doing any other thing provided for in this contract; and
- (c) is only available in relation to a failure to perform an obligation under the Network Code to the extent (including as to time and conditions) that the Network Code so provides.

17.3 **Entitlement to Force Majeure relief**

An Affected Party is entitled to Force Majeure relief if and to the extent that:

- (a) performance of the Relevant Obligation has been prevented or materially impeded by reason of a Force Majeure Event;
- (b) it has taken all reasonable steps, taking account of all relevant circumstances (including as to whether the event in question could reasonably have been anticipated):
 - (i) to avoid the occurrence of the Force Majeure Event; and
 - (ii) to minimise, and where practicable avoid, the effects of the Force Majeure Event on its ability to perform the Relevant Obligation; and
- (c) except in the case of clause 17.1(f), none of the Affected Party, its officers, employees or agents caused the Force Majeure Event.

17.4 **Procedure for claiming relief**

Without prejudice to clause 17.3, an Affected Party is only entitled to claim Force Majeure relief under this clause 17 if it complies with the obligations to give Force Majeure Notices, Force Majeure Reports and provide other information under clause 17.5 and to perform its obligations under clause 17.6.

17.5 **Force Majeure Notices and Reports**

17.5.1 *Force Majeure Notice*

In relation to any Relevant Force Majeure Event:

- (a) as soon as reasonably practicable after the Affected Party becomes aware, or ought reasonably to have become aware, that such Force Majeure Event qualifies for relief under this clause 17 (and, in any event, within 72 hours of becoming aware of such circumstances), the Affected Party shall give a Force Majeure Notice; and
- (b) the Force Majeure Notice shall include detailed particulars (to the extent available) of the Relevant Force Majeure Event and its consequences, its effects on the Affected Party, the Relevant Obligations, the likely duration of such consequences and effects and the remedial measures proposed by the

Affected Party to avoid or remove the Relevant Force Majeure Event or to mitigate its consequences and effects.

17.5.2 *Force Majeure Report*

Following the giving of a Force Majeure Notice:

- (a) the Affected Party shall give a Force Majeure Report as soon as practicable, and in any event within seven days of service of the Force Majeure Notice; and
- (b) the Force Majeure Report shall constitute a full report on the Relevant Force Majeure Event, amplifying the information provided in the Force Majeure Notice and containing such information as may reasonably be required by the Non-affected Party, including the effect which the Relevant Force Majeure Event is estimated to have on the Affected Party's performance of the Relevant Obligations.

17.5.3 *Other information*

The Affected Party shall promptly give the Non-affected Party all other information concerning the Relevant Force Majeure Event and the steps which could reasonably be taken, and which the Affected Party proposes to take, to avoid or remove the Relevant Force Majeure Event or to mitigate its consequences and effects as may reasonably be requested by the Non affected Party from time to time.

17.6 **Mitigation**

The Affected Party shall, promptly upon becoming aware of the occurrence of a Force Majeure Event in respect of which it intends to claim relief, use all reasonable endeavours to:

- (a) minimise the effects of such Force Majeure Event on the performance of the Relevant Obligations; and
- (b) minimise the duration of such Force Majeure Event,

and shall keep the Non-affected Party fully informed of the actions which it has taken or proposes to take under this clause 17.6.

17.7 **Duration of relief for force majeure**

The right of an Affected Party to relief under clause 17.2 shall cease on the earlier of:

- (a) the date on which its performance of the Relevant Obligations is no longer prevented or materially impeded by the Relevant Force Majeure Event; and
- (b) the date on which such performance would no longer have been prevented or materially impeded if the Affected Party had complied with its obligations under clause 17.6.

17.8 **Availability of Performance Order**

If and to the extent that a breach of this contract has been caused by a Relevant Force Majeure Event, the Non-affected Party shall not be entitled to a Performance Order except to secure performance by the Affected Party of its obligations under this clause 17.

18. **Miscellaneous**

18.1 **Non waiver**

18.1.2 *Failure or delay in exercising a right or remedy*

The failure to exercise or delay in exercising a right or remedy under this contract shall not constitute a waiver of the right or remedy or a waiver of any other rights or remedies, and no single or partial exercise of any right or remedy under this contract shall prevent any further exercise of the right or remedy or the exercise of any other right or remedy.

18.2 **Variations**

18.2.1 *Amendments to be in writing and to be approved*

No amendment of any provision of this contract shall be effective unless:

- (b) if no day is found under paragraph (a) above, then a day which is contained in the equivalent Timetable Period for the time of year, in the year immediately preceding the Timetable Period which includes the first day and on which the Services scheduled in the New Working Timetable are the same as would have been scheduled on the first day but for Restrictions of Use reflected in the New Working Timetable for the first day; or
- (c) if no day is found under paragraph (a) or (b) above, such other day as the parties may agree or as may be determined in accordance with paragraph 12.2;

A Restriction of Use shall only be treated as a Restriction of Use to the extent that it involves a Restriction of Use of all or any part of the Routes which is not covered by the restriction under that Suspension Notice.

1.3 ***Possession***

Any reference in this contract to the term "possession", whether on its own or in composite, should be construed as "Restriction of Use" as defined in this Part 3.

1.4 **Not Used**

2. **Application of this Part**

2.1 ***Entry into effect***

This Part 3 shall apply in respect of Restrictions of Use.

2.2 ***Applicable Engineering Access Statement and the Network Code***

The provisions of this Part 3 shall be without prejudice to:

- (a) Network Rail's right to take Restrictions of Use under or pursuant to the Applicable Engineering Access Statement;
- (b) the establishment of any amended Working Timetable under Part H of the Network Code; and
- (c) any rights pursuant to the Network Code that the Train Operator may have to challenge any decision of Network Rail.

2.3 ***Operator Restriction of Use***

Network Rail shall not be obliged to make any payments to the Train Operator for any one or more Restrictions of Use to the extent:

- (a) required as a result of any damage to the Network or Environmental Damage which in each case:
 - (i) arises wholly or mainly from the operations of the Train Operator or its failure to comply with its obligations under this contract; and
 - (ii) Network Rail demonstrates is in excess of fair wear and tear arising from use of the Network by the Train Operator;
- (b) requested by the Train Operator (other than for the purposes of inspection, maintenance, renewal or repair of the Network); or
- (c) required in connection with a Network Change proposed by the Train Operator under Condition G3 of the Network Code.

2.4 ***Network Rail payments***

Subject to paragraph 2.3, Network Rail shall make payments to the Train Operator (in accordance with the procedure in paragraph 13) in respect of a Network Rail Restriction of Use calculated in accordance with paragraphs 2.6 and 2.7 where applicable.

2.5 **Not Used**

2.6 ***Type 2 Restriction of Use***

2.7 Where a Train Operator's RoU Liability exceeds £10,000 in respect of any Type 2 Restriction of Use Network Rail shall make payments to the Train Operator (in accordance with the procedure in paragraph 13) calculated in accordance with paragraph 7 in respect of any Type 2 Restriction of Use. ***Type 3 Restriction of Use***

Where a Train Operator's RoU Liability exceeds £10,000 in respect of any Type 3 Restriction of Use Network Rail shall make payments to the Train Operator (in accordance with the procedure

in paragraph 13) calculated in accordance with paragraph 7 in respect of any Type 3 Restriction of Use.

2.8 **RoU Claim Notice**

- (a) Either party wishing to make a request pursuant to paragraph 2.6 must notify the other that a Restriction of Use is a Type 2 Restriction of Use or a Type 3 Restriction of Use and that the circumstances in paragraph 2.6 or 2.7 (as applicable) apply within 56 days of the date of the end of such Restriction of Use.
- (b) The notice referred to in paragraph 2.8(a) must, if provided by the Train Operator, include details of the estimate of the RoU Liability which the Train Operator has incurred in respect of the relevant Restriction of Use.

2.9 **Changes to Restrictions of Use**

- (a) Where a single Restriction of Use falls within the definition of either a Type 2 or Type 3 Restriction of Use and there is a change which means that no Restriction of Use occurs or that the Restriction of Use occurs as the other type of Restriction of Use, then that Restriction of Use shall be treated, for the purposes of the calculation and payment of compensation, as if it had always been the latter type of Restriction of Use (or, where applicable, as if it had not been a Restriction of Use).
- (b) Where a single Restriction of Use does not fall within the definition of either type of Restriction of Use and there is a change which means that the Restriction of Use then falls within the definition of either a Type 2 Restriction of Use or a Type 3 Restriction of Use, then that Restriction of Use shall be treated, for the purposes of the calculation and payment of compensation, as if it had always been a Type 2 Restriction of Use or a Type 3 Restriction of Use (as the case may be).
- (c) For the purposes of paragraph 2.9(d), a Restriction of Use shall be deemed to be taken if and to the extent that it results in any difference between timetables of the type referred to in the definition of "Restriction of Use" when notified, whether or not the restriction giving rise to that Restriction of Use was subsequently cancelled in whole or in part.
- (d) Where a change to a Restriction of Use reduces the impact of that Restriction of Use and accordingly changes its type or means that there is no Restriction of Use in accordance with paragraph 2.9(a), the Train Operator may, within 28 days of the date on which the change to the Restriction of Use was notified to the Train Operator by Network Rail, serve a notice on Network Rail which sets out any costs to which the Train Operator is already committed or has already incurred and any costs associated with responding to the Restriction of Use (both before and after the change). The Train Operator shall be entitled to recover such costs provided that such costs are reasonable and were properly committed or incurred in the circumstances.

2.10 **Not Used**

2.11 **Early notice of RoU Liability**

The parties may at any time engage in discussions on any matter likely to result in payments in respect of any RoU Liability and shall use reasonable endeavours to agree whether such RoU Liability calculated in accordance with paragraph 7 are likely to arise and/or what mitigating actions should be contemplated to reduce or avoid such RoU Liability. The party initiating such discussions shall provide to the other reasonable evidence in writing of why it thinks such RoU

Liability will arise or mitigating actions should be contemplated. Following any agreement or determination that such RoU Liability are likely to arise in connection with one or more future Restrictions of Use or that mitigating actions should be contemplated, the parties shall where reasonably practicable engage in discussions on any options for mitigating costs, revenue loss and/or disruption including any advance compensation for such Restriction(s) of Use to the extent such advance compensation would or would reasonably be expected to facilitate the mitigation of the contemplated disruption. Nothing in this contract shall prevent Network Rail and the Train Operator agreeing any options for mitigating costs and disruption in respect of any Restriction(s) of Use. Unless otherwise agreed, the timescales for claiming RoU Liability shall still apply.

2.12 **Over-runs**

- (a) For the purposes of this paragraph 2.12, an over-run ("**Over-run**") occurs where:
 - (i) there is a Restriction of Use which is not an Operator Restriction of Use (the "**First Restriction**");
 - (ii) following the end of the relevant period of difference between timetables referred to in sub-paragraphs (a) and (b) of the definition of Restriction of Use which served to establish the existence of that Restriction of Use (the "**First Restriction Period**"), there is either:
 - (A) a further period of at least one hour during which Services are Disrupted due to (1) any incident attributed under Schedule 8 to circumstances arising from any restriction of operation of the Network which are a consequence of the First Restriction or (2) any act or omission in connection with any activities planned or undertaken which are directly attributable to the First Restriction (including any failure to remove the First Restriction by the time scheduled for its removal in the Applicable Engineering Access Statement) but excluding any act or omission by the Train Operator for which it would be allocated responsibility under this contract (the "**Unplanned Over-run Period**"); and/or
 - (B) a further Restriction of Use is taken which is at the same location as all or part of the First Restriction and directly connected with or attributable to any activities undertaken or planned to be undertaken under the First Restriction (a "**Further Restriction**"),
- (b) Where a Restriction of Use is subject to one or more Over-runs, then the entire duration from the start of the First Restriction to the end of the last Over-run in respect of the Restriction of Use shall be treated as making up a single Restriction of Use.

7. **RoU Liability compensation for Type 2 Restrictions of Use or Type 3 Restrictions of Use**

7.1 ***Compensation arrangements***

- (a) Following receipt of an RoU Claim Notice in respect of a Type 2 Restriction of Use or a Type 3 Restriction of Use (as the case may be), Network Rail and the Train Operator shall (if they have not already done so) commence negotiations in respect of the RoU Liability compensation to be paid by one party to the other in respect of such Restriction of Use and, subject to paragraph 10, shall continue such negotiations in good faith until they are concluded.

Once the compensation referred to in paragraph 7.1(a) has been agreed or determined the compensation to be paid by Network Rail to the Train Operator shall be the full amount of the RoU Liability actually incurred by the Train Operator less any amounts received by the Train Operator from Network Rail in respect of such Restriction of Use.

- (b) Network Rail shall include in the statement provided by it in respect of each Period under paragraph 13.1(a) details of the compensation agreed or determined under this paragraph 7 and paragraph 10 to be payable in respect of any Type 2 Restriction of Use or Type 3 Restriction of Use (as the case may be) taken in that Period and that compensation shall be due and payable by to the other in accordance with paragraph 13.1.

- (b) The parties shall agree in a Procedure Agreement, as defined in the ADRR, that the relevant ADRR Forum's remit shall be to:

(i) reach a decision which is fair and reasonable; and

(ii) identify the day in either any version of the Working Timetable or any version of the New Working Timetable on or before D-26 in either case which has been produced in accordance with the Network Code as at the Restriction of Use Day and which most closely reflects the Services which would have been scheduled on the first day (as that term is used in the definition of Corresponding Day save that in respect of any

Restriction of Use lasting more than two Timetable Periods, the first day may occur in any year preceding the Timetable Period) but for Restrictions of Use reflected in the New Working Timetable for the first day; or

- (iii) where a Corresponding Day cannot be identified in accordance with paragraph 12.2(b)(ii) above, determine a notional Corresponding Day. The relevant ADRR Forum may have regard, where appropriate, to any pattern of services which may reasonably be expected to be operated during the relevant period when the Restriction of Use is being taken in the event of the permanent absence of any Corresponding Day.

13.2 **Disputes**

Within 10 days of receipt of a statement from Network Rail under paragraph 13.1, the Train Operator shall notify Network Rail of any aspects of the statement which it disputes, giving reasons for any dispute. Save to the extent that disputes are so notified, the Train Operator shall be deemed to have agreed the contents of the statement.

13.3 **Dispute resolution**

The procedure for resolving disputes notified under paragraph 13.2 shall be as follows:

- (a) within seven days of service of any notice under paragraph 13.2, the parties shall meet to discuss the disputed aspects of the statement with a view to resolving all disputes in good faith;
- (b) if, within seven days of that meeting (the "**first meeting**"), the parties are for any reason still unable to agree the disputed aspects of the statement, each party shall promptly (and in any event within seven days) prepare a written summary of the disputed aspects of the statement and the reasons for each such dispute and shall submit the summaries to the senior officer of each party;
- (c) within 28 days of the first meeting, the senior officers shall meet with a view to resolving all disputes;

(Future Access Charges Reviews)

1. General

ORR may carry out one or more access charges reviews of all or part of this contract as follows:

In this Part 7, references to ORR carrying out an access charges review shall be construed as including references to its initiating implementation of that review.

4. **Interim treatment of future access charges reviews**

4.1 ***Interim treatment prior to implementation***

If the terms of a Proposed Review Notice proposing amendments to the Contract are not implemented in accordance with paragraph 7 of Schedule 4A to the Act on the date stipulated that they will come into operation in the Proposed Review Notice for any reason, then, irrespective of such terms not having been so implemented, each proposed amendment to the Contract set out in the Proposed Review Notice shall have effect for the period (the "Interim Period") commencing on that date (or from any later date (or dates) specified in the Proposed Review Notice in respect of any individual amendment), in each case until such time as:

- (a) following the service of a Review Implementation Notice relating to the Proposed Review Notice, the changes specified in that Review Implementation Notice come into operation; or

 - (ii) such background data and workings as may reasonably be required for a proper understanding of the calculation.
- (b) Within 14 days after the date upon which Network Rail shall have provided to the Train Operator the information referred to in paragraph 4.2(a) above, the Train Operator shall notify Network Rail of any aspects of the statement which it disputes, giving reasons for any dispute. Save to the extent that disputes are so notified, the Train Operator shall be deemed to have agreed the contents of the statement.
- (c) If any dispute is notified under paragraph 4.2(b) above, it shall be resolved according to the following procedure:
 - (i) within seven days of service of the relevant notice, the parties shall meet to discuss the disputed aspects with a view to resolving all disputes in good faith;
 - (ii) if, for any reason, with seven days of the meeting referred to in paragraph 4.2(c)(i) above, the parties are still unable to agree any disputed aspects, each party shall promptly and in any event within seven days prepare a written

summary of the disputed aspects and the reasons for each such dispute and submit such summaries to the senior officer of each party;

- (iii) within 28 days of the first meeting of the parties, the senior officers of the parties shall meet with a view to resolving all disputes; and
 - (iv) if no resolution results before the expiry of 14 days following that meeting, then either party may refer the matter for resolution in accordance with the ADRR.

2.1 In respect of Cancellation, this Schedule 8 shall only apply to any Planned Service Cancellation for which Network Rail is responsible or jointly responsible with the Train Operator and which occurs after 22:00 on the day before such Planned Service is due to run.

2.2 Each of the Train Operator and Network Rail shall use all reasonable endeavours to keep the other of them informed of any known or anticipated delay to, or Cancellation, Termination or Diversion of, Planned Services or any Ancillary Movements associated therewith.

2.3 Each of Network Rail and the Train Operator shall take reasonable steps to avoid and mitigate the effects of:

- (a) any incidents upon the Planned Services; and
- (b) any Service Incident affecting other trains.

2.4 Network Rail shall use recordings made using the Performance Monitoring System for the purposes of this Schedule 8 including the times at which the Services and other trains Trigger Recording Points. Where appropriate Network Rail may require the Train Operator, in respect of Services only, to make the relevant entry, to record such times on the Performance Monitoring System. Network Rail and the Train Operator shall each comply with and be bound by the provisions of the Performance Data Accuracy Code referred to in Part B of the Network Code and the provisions of that Code shall apply to this contract. Accordingly, the provisions of this Schedule 8 concerning the recording of train performance information or which refer to information regarding train performance (including references to the time at which a train Triggers a Recording Point), and the rights and remedies of the Train Operator in respect of the same, shall be subject to and interpreted in accordance with the provisions of that Code.

2.5 In respect of each Trigger of a Recording Point Network Rail shall use its reasonable endeavours to record separately, as unexplained delay, those minutes of delay of three minutes or more included in Minutes Delay for which it is unable to identify the incident(s) which caused that delay. The Train Operator shall co-operate with Network Rail on request by providing all such information as it has in its possession regarding the identification of the incident(s) which caused that delay.

2.6 All unexplained delay recorded in accordance with paragraph 2.5 shall, notwithstanding the provisions of paragraph 6.3(b) be allocated between the parties as follows:

- (a) any Minutes Delay or Cancellation Minutes in respect of Service Incidents arising either off the Network or at stations at which the Train Operator's Services are Planned to call shall be included in the TO Performance Minutes; and
- (b) any Minutes Delay to a Service or Planned Service Cancellation arising on the Network and which are not allocated to the Train Operator under this Schedule (including paragraph 2.6(a)) shall be included in the NR Performance Minutes.

2.7

- (a) Network Rail shall provide to the Train Operator through the Performance Monitoring System as soon as reasonably practicable, and in any event no later than the following Working Day, the information recorded or provided to it under paragraphs 2.4 or 2.5.
- (b) the Train Operator shall be deemed to have agreed the information recorded by Network Rail and Network Rail shall be deemed to have agreed the information recorded by the Train Operator except, in either case, to the extent that it has, within 2 clear Working Days of the information being provided, notified the other that it disputes the information. Any such notification shall specify the reasons for the dispute, so as to assist resolution of the dispute. The parties shall endeavour to resolve each such dispute within 2 Working Days of its notification.

2.8 Within 5 Working Days of a Trigger occurring, Network Rail shall be entitled to re-allocate responsibility to the Train Operator for each minute of delay included in Minutes Delay where further information becomes available to Network Rail which would otherwise result in responsibility for the relevant incident being allocated to the Train Operator in accordance with paragraph 6.4. Paragraph 2.7(b) shall apply to the allocation of responsibility under this paragraph 2.8.

2.9 Network Rail shall have no liability to the Train Operator under the terms of this Schedule in respect of Minutes Delay to a Planned Service or a Planned Service Cancellation to the extent that it is caused, in either case, by that Planned Service being presented to Network Rail on the Network after the time Planned for such presentation. In such circumstances, Network Rail shall use its reasonable endeavours to facilitate the movement of the Planned Service as expeditiously as possible subject to

- (a) any access rights which it may have granted to third parties; and
- (b) any Restrictions of Use of the Network in the Applicable Engineering Access Statement or the Applicable Timetable Planning Rules.

3. Network Rail performance

3.1 The performance minutes allocated to Network Rail in respect of any Planned Service (the "**NR Performance Minutes**") shall be equal to the sum of:

- (a) the number of Minutes Delay caused to that Planned Service by one or more Service Incidents for which Network Rail is allocated responsibility under paragraphs 2.6(b) and 6.3; and/or
- (b) 50% of the number of Minutes Delay caused to that Planned Service by one or more Service Incidents for which Network Rail is allocated joint responsibility with the Train Operator under paragraph 6.5.

3.2

3.2.1 The NR Performance Minutes shall be converted into a per 100 Train Operator Miles figure (the "**Adjusted NR Performance Minutes**") using the formula below:

$$\text{Adjusted NR Performance Minutes} = \frac{\text{NR Performance Minutes}}{100 \text{ Train Operator Miles}}$$

3.2.2 The Adjusted NR Performance Minutes calculated in accordance with paragraph 3.2.1 shall then be compared with the NRB and:

- (a) if the Adjusted NR Performance Minutes figure is less than NRB, the Train Operator shall be liable to Network Rail for a Performance Sum equal to:

$$((NRB - \text{the Adjusted NR Performance Minutes}) \times \text{Network Rail Payment Rate}) \times \left(\frac{CPCM}{100}\right)$$

where:

CPCM means the total number of Train Miles operated by the Train Operator in the relevant Period;

- (b) if the Adjusted NR Performance Minutes figure exceeds NRB, Network Rail shall be liable to the Train Operator for a Performance Sum equal to:

$$\left((the\ Adjusted\ NR\ Performance\ Minutes - NRB) \times Network\ Rail\ Payment\ Rate \right) \times \left(\frac{CPCM}{100} \right)$$

where CPCM has the meaning ascribed to it in paragraph 3.2.2(a); and

- (c) if the Adjusted NR Performance Minutes figure is equal to NRB, neither party shall be liable to the other for a Performance Sum under this paragraph 3.2.

3.3 In the event of a Planned Service Cancellation for which Network Rail is allocated responsibility under paragraphs 2.6(b) and/or 6.3, Network Rail shall, in respect of that Planned Service be liable to pay to the Train Operator (in substitution for and to the exclusion of any liability under paragraph 3.4) the Network Rail Cancellation Sum. In the event of a Planned Service Cancellation for which Network Rail is allocated joint responsibility under paragraph 6.5, then in respect of that Planned Service Network Rail shall be liable to pay to the Train Operator (in substitution for and to the exclusion of any liability under paragraph 3.4) the Joint Cancellation Sum.

3.4 If a Planned Service is the subject of a Diversion or Failure to Stop due to a Service Incident for which Network Rail is allocated responsibility under paragraph 6.3 and, as a result, the Train Operator incurs, in relation to such Planned Service, additional costs which but for the Diversion or Failure to Stop it would not have incurred, Network Rail shall, in addition to any liability under paragraph 3.2, pay the Train Operator the Charter Service Variation Sum in respect of the Planned Service provided that the Train Operator shall have notified to and supplied Network Rail with evidence (to its reasonable satisfaction) of such costs on or before the end of the Period following the Period in which such Service Incident occurred.

3.5 Within 5 Working Days after the end of each Week, Network Rail shall provide the Train Operator with an Interim Statement showing in respect of each Planned Service which was Planned to depart from its point of origin during that Week and for which Network Rail is liable to make payment under this paragraph 3 either:

- (a) the Performance Sum calculated in accordance with paragraph 3.2; or
- (b) whether it is a Planned Service Cancellation for which Network Rail is liable to the Train Operator under paragraph 3.3.

Any unresolved dispute under paragraph 2.7 in relation to a Planned Service the subject of an Interim Statement shall be indicated as such on the Interim Statement. Within 2 Working Days of receipt of the Interim Statement the Train Operator shall sign and return a copy thereof to Network Rail and indicate on the copy any aspects of the Interim Statement which it disputes, giving reasons for any dispute. Save to the extent that any disputes are so notified or if the Train Operator fails to sign and return to Network Rail a copy of the Interim Statement, the Train Operator shall be deemed to have agreed the contents of the Interim Statement.

4. Train Operator performance

4.1 The performance minutes allocated to the Train Operator in respect of any Third Party User (the "**TO Performance Minutes**") shall be calculated as follows:

$$TO\ Performance\ Minutes = (A + B) + (C + D)$$

where:

A = the total number of Minutes Delay in respect of all Triggers by each train operated by that Third Party User caused by one or more Service Incidents for which the Train Operator is allocated responsibility under paragraphs 2.6(a) and 6.4; and

B = 50% of the total number of Minutes Delay in respect of all Triggers by each train operated by that Third Party User caused by one or more Service Incidents for which the Train Operator is allocated joint responsibility with Network Rail under paragraph 6.5;

C = the Third Party User Cancellation Minutes in respect of each Third Party Train Cancellation due to a Service Incident for which the Train Operator is allocated sole responsibility under paragraphs 2.6(a) and 6.4, provided that there shall be disregarded any Minutes Delay caused as a result of such Service Incident occurring after the time at which the train of the Third Party User arrives at the point on or off the Network where it subsequently becomes a Third Party Train Cancellation; and

D = 50% of the Third Party User Cancellation Minutes in respect of each Third Party Train Cancellation due to a Service Incident for which the Train Operator is allocated joint responsibility with Network Rail under paragraph 6.5 provided that there shall be disregarded any Minutes Delay caused as a result of such Service Incident occurring after the time at which the train of the Third Party User arrives at the point on or off the Network where it subsequently becomes a Third Party Train Cancellation.

4.2 For the avoidance of doubt, in the event of a Planned Service Cancellation for which the Train Operator is allocated sole responsibility under paragraph 6.4, then in respect of that Cancellation the Train Operator shall only be liable to pay Network Rail the applicable charge under paragraph 5.1 of Part 2 of Schedule 7 and in the event of a Planned Service Cancellation for which the Train Operator is allocated joint responsibility with Network Rail under paragraph 6.5, then in respect of that Planned Service the Train Operator shall be liable to pay Network Rail 50% of the applicable charge under Schedule 7.

4.3

4.3.1 For the purposes of this paragraph 4.3, the TO Performance Minutes arising in respect of a Planned Service (and its associated Ancillary Movements) shall be capped as follows:

(a) where the Train Operator has elected to have no exposure above the Planned Service Incident Cap in accordance with paragraph 9, any such minutes in excess of the Planned Service Incident Cap shall be disregarded; or

(b) where the Train Operator has elected to have 30% exposure above the Planned Service Incident Cap in accordance with paragraph 9, 70% of any such minutes in excess of the Planned Service Incident Cap shall be disregarded.

4.3.2 The TO Performance Minutes shall be converted into a per 100 Train Operator Miles figure (the "**Adjusted TO Performance Minutes**") using the formula below:

$$\text{Adjusted TO Performance Minutes} = \frac{\text{TO Performance Minutes}}{100 \text{ Train Operator Miles}}$$

4.3.3 The Adjusted TO Performance Minutes calculated in accordance with paragraph 4.3.2 shall then be compared with the TOB and:

(a) if the Adjusted TO Performance Minutes figure is less than TOB, Network Rail shall be liable to the Train Operator for a Performance Sum equal to:

$$((\text{TOB} - \text{the Adjusted TO Performance Minutes}) \times \text{Train Operator Payment Rate}) \times \left(\frac{\text{CPCM}}{100}\right)$$

where:

CPCM means the total number of Train Miles operated by the Train Operator in the relevant Period;

- (b) if the Adjusted TO Performance Minutes figure exceeds TOB, the Train Operator shall be liable to Network Rail for a Performance Sum equal to:

$$\left((the\ Adjusted\ TO\ Performance\ Minutes - TOB) \times Train\ Operator\ Payment\ Rate \right) \times \left(\frac{CPCM}{100} \right)$$

where CPCM has the meaning ascribed to it in paragraph 4.3.3(a); and

- (c) if the Adjusted TO Performance Minutes figure is equal to TOB, neither party shall be liable to the other for a Performance Sum under this paragraph 4.3.

4.4 If:

- (a) any service operated by a Third Party User is the subject of a Diversion or Failure to Stop but does not become a Third Party Train Cancellation for which Third Party User Cancellation Minutes are allocated to the Train Operator under paragraph 4.1; or
- (b) Network Rail has to postpone a Restriction of Use or has to keep open any part of the Network beyond the time at which such part of the Network is generally open to passenger carrying movements

due to a Service Incident for which the Train Operator is allocated responsibility under paragraph 6.4 and, as a result, Network Rail incurs additional costs which, but for the Service Incident it would not have incurred, the Train Operator shall, in addition to any liability under paragraph 4.2, pay Network Rail the Charter Service Variation Sum in respect of the Planned Service provided that Network Rail shall have notified to and supplied the Train Operator with evidence (to its reasonable satisfaction) of such costs on or before the end of the Period following the Period in which such Service Incident occurred.

4.5 Within 5 Working Days after the end of each Week, Network Rail shall provide the Train Operator with an Interim Statement listing all Service Incidents during that Week for which the Train Operator is allocated responsibility under paragraph 6.4 or joint responsibility with Network Rail under paragraph 6.5 and showing, for each such Service Incident, the TO Performance Minutes. Any unresolved dispute under paragraph 2.7 in relation to any such Service Incident shall be indicated as such on the Interim Statement. Within 2 Working Days of receipt of the Interim Statement the Train Operator shall sign and return a copy thereof to Network Rail and indicate on the copy any aspects of the Interim Statement which it disputes, giving reasons for any dispute. Save to the extent that any disputes are so notified or if the Train Operator fails to sign and return to Network Rail a copy of the Interim Statement, the Train Operator shall be deemed to have agreed the contents of the Interim Statement.

5. Calculation of minutes delay

5.1 Subject to paragraph 5.2 the Minutes Delay for a Planned Service in respect of a Trigger of a Recording Point shall be equal to:

- (a) in respect of the first recorded Trigger, the number of minutes (rounded down to the nearest whole minute), if any, by which the time at which the relevant train so Triggers the Recording Point is later than the time at which that train is Planned so to Trigger the Recording Point; and
- (b) in respect of each other recorded Trigger by a train, the lesser of:
- (i) the number of minutes in respect of the Trigger calculated as in paragraph 5.1(a) above; and
- (ii) the greater of $((A1 - A2) + B)$ and zero

where:

A1 is the number of minutes, between the time at which the relevant train Triggers the Recording Point (rounded down to the nearest whole minute) and the time of that train's last recorded Trigger of a Recording Point (rounded down to the nearest whole minute);

A2 is the Planned time between such Triggers; and

B is any Recovery Time between such Triggers.

5.2 The Minutes Delay calculated in accordance with paragraph 5.1 shall be allocated to the incident(s) causing those Minutes Delay as described in paragraph 6. Any minutes of delay which are included in any Minutes Delay and which are caused by the same incident or series of related incidents and which are less than three minutes in aggregate shall for the purposes of this Schedule 8 be deemed to be zero.

6. Allocation of responsibility

6.1 For the purposes of this Schedule 8 responsibility for each minute of delay included in Minutes Delay, each Third Party Train Cancellation, each Diversion, each Failure to Stop and each Planned Service Cancellation shall be allocated according to the responsibility for the incident which caused such Minutes Delay, Third Party Train Cancellation, Diversion, Failure to Stop or Planned Service Cancellation as established in accordance with the following provisions of this paragraph 6.

6.2 In assessing the causes of any Minutes Delay, Third Party Train Cancellation, Diversion, Failure to Stop or Planned Service Cancellation there shall be taken into account all incidents contributing thereto including:

- (a) the extent to which each party has taken reasonable steps to avoid and/or mitigate the effects of the incidents contributing thereto;
- (b) where a train is affected by the cancellation of or delay to an Ancillary Movement, the incident(s) giving rise to that cancellation or delay; and
- (c) where a Restriction of Use overruns, due to the start of such Restriction of Use being delayed by a late running train (including a Planned Service or an Ancillary Movement associated therewith), the incident(s) giving rise to that late running.

6.3 Subject to paragraph 6.5, Network Rail shall be allocated responsibility for an incident other than a Planned Incident if that incident is:

- (a) caused by breach by Network Rail of any of its obligations under this contract or any of its obligations in its safety authorisation which are relevant to the operation of the Services;
- (b) caused by failures of or delays to Services arising on the Network which are not allocated to the Train Operator under this contract; or
- (c) caused by acts or omissions of Network Rail's staff or Network Rail's contractors in breach of this contract.

6.4 Subject to paragraph 6.5, the Train Operator shall be allocated responsibility for an incident other than a Planned Incident if that incident is:

- (a) caused by breach by the Train Operator of any of its obligations under this contract or any of its obligations in its safety certificate which are relevant to the operation of the Services;

- (b) caused by circumstances within the control of the Train Operator (whether or not the Train Operator is at fault) in its capacity as an operator of trains under this contract; or
- (c) caused (whether or not the Train Operator is at fault) by any defect in or other failure by the Specified Equipment to comply with the Service Characteristics of a Service whether or not such Specified Equipment is owned by the Train Operator; or
- (d) caused by acts, or omissions of the Train Operator's staff, customers, contractors (including any associates or associate sub-contractors of the Train Operator) in connection with this contract, or passengers using the Services; or
- (e) caused by circumstances arising:
 - (i) off the Network and which are not caused by Network Rail in breach of its obligations under this contract; or
 - (ii) in connection with the operation of any station, light maintenance depot or other facility to which the Train Operator has been granted access for the purpose of the operation of the relevant Service; or
 - (iii) under a connection agreement to which Network Rail is a party in relation to a light maintenance depot or other facility referred to under (ii) above.

6.5 Network Rail and the Train Operator shall be allocated joint responsibility for:

- (a) any incident caused by or in connection with any incident arising at or in a station which is not within the reasonable control of either party; or
- (b) any identified incident in respect of which Network Rail and the Train Operator are equally responsible and for which neither Network Rail nor the Train Operator is allocated responsibility under paragraph 6.3 or 6.4.

6.6 An incident in connection with a Restriction of Use shall be treated as a Planned Incident to the extent that there is Recovery Time in respect of that Restriction of Use incorporated in the Applicable Timetable.

7. Payment terms and supplementary provisions
