Dear Katharine and Lee

Consent to a Supplement to the Traction Electricity Modelled Consumption Rates List: Stagecoach South Western Trains Limited

1. The Office of Rail and Road (ORR) has today issued a Notice of Consent to a Supplement to the Traction Electricity Modelled Consumption Rates List, submitted to us jointly by Network Rail Infrastructure Limited (Network Rail) and Stagecoach South Western Trains Limited (South Western Trains) on 15 September 2016 under Paragraph 9 of Part 2 of Schedule 7 under their Track Access Contract (TAC).

Purpose of the change

2. The aim is to propose a supplement to the Traction Electricity Consumption Rates List for a new Electric Current for Traction consumption rate for the Class 456 vehicle operated by South Western Trains Limited.

Consultation

3. There is no requirement for industry consultation in this matter.

ORR review

5. We reviewed the application and were content with the values proposed.

6. Paragraph 9 of Part 2 of Schedule 7 to the TAC states that consent by ORR shall come into effect on the date on which the vehicles are first used on the Network by the Train Operator.

Yours sincerely
