Consent to supplement the list of capacity charge rates

We consent to a supplement to the list of capacity charge rates proposed by Network Rail Infrastructure Limited and South Yorkshire Supertram Limited (SYSL) (jointly, “the parties”) on 2 May 2018. SYSL began operating a service between Tinsley Junction and Rotherham Parkgate on 25 October 2018.

This consent is further to paragraph 9.4(c) of Part 2 of Schedule 7 of the parties’ track access contract dated 4 May 2018.

For the purposes of the track access contract, the section of the list of capacity charge rates entitled “Passenger Operators Not Subject To Wash-up” shall be supplemented by the inclusion of the rate set out in the schedule to this consent.

This supplement shall have retrospective effect from 25 October 2018. The rates in the schedule are in 2012/13 prices, consistent with the price base of the list of capacity charge rates.
